ROUSEVELT WOULDN'T LET NEW YORK INDORSE TAFT.

Made It a Stipulation Under Which He Agreed Not to Attack Administration or Tariff, Which He Deemed Weak, Though Hetter Than Hingley Law.

MEMPHIS, Tenn. Oct. 9.-As Mr. Rooseswings from the South into the West question of the tariff, which he brought Atlanta last night, looms as an imant issue upon which he will have to

insurgents were puzzied over the that the Colonel had apparently stood | Five Alabama Democrats, that they were, te tariff plank in the Republican plat-

ard saratoga. Senator Cummins of had a long talk with Mr. Roosevelt gard to it the day before the trip Neither would discuss it then. Lay between stops through Tenand Alabama and Mississippi the was besought to make a state-addition to what he had said in The Georgians were deeply intimate in the matter.

Mr. Roosevelt, we don't agree with you in all things, but we are just as glad to see you as if we did."

"Thank you," responded the Colonel in his most gracious manner. "On the principles of good citizenship we can all agree, can't we?"

"We sure can," answered the crowd. The formality displayed at Tuscumbla beat anything all day.

o nothing to add to what I said on, "except that in my speeches se and Saratoga about the tariff

consistent, that his expressed attitudes the tariff and Administration have been n all essentials the same. His policy been to commend those features of the Payne law which he could conscientimisly commend. Mr. Roosevelt regards the Payne law as better than the Dingley ut he does not consider that it is sufficiently an improvement over the Dingley bill or a sufficient fulfilment of the Republican party's promises to war- and a Democrat there, according to local

# Put a brake on your coal-bills!

Is the old Winter King trying to make a new high-speed record on your coal bills this season? There's only one way to get the fuel bills under proper control and that is & by applying the wonderworking brake of

AMERICAN & DEAL These outfits will effectually stop the run-away tendencies of the average season's coal-bill, as they give genuine, genial comfort to the

householder at the least possible expense for fuel.

IDEAL Boilers and AMERICAN Radiators make one lump of coal do the work of two. They will distribute heat uniformly to all parts of the building, without spouting ashes, soot, smoke or coal-gases into the living-rooms. The savings of coal, labor, doctor's bills, repairs, and insurance will soon pay for the outfit.

. How Best to Warm Our Homes

A No 241 IDEAL Beiler and 461 ft. of 38in. AMERICAN Rediators costing the
owner \$215, were used to Hot-Water
heat this cottage. At this price the
goods can be bought of any reputable,
competent Fitter. This did not include
cost of labor, pipe, valves, freight, etc.,
which installation is extra and varies according to climatic and other conditions.

Exclusive Models in

### Motor Coats for Women

No coat of ordinary construction can possibly usurp the functions of the Motor Coat / fashioned expressly for that use. Individual differences in detail may be minor, but the sum total of those differences is so marked that comparison will instantly prove the point even to the uninitiated.

Some of our Motor Coats are imported we get them from the highest recognized sources of authoritative Auto garment making in Europe.

The other garments we offer are created by our own corps of trained craftsmen, whose experience in the production of Motor Apparel dates coincident with the beginning of our career as specialists.

Materials include heavy English or Scotch mixtures, fancy tweeds in novelty effects or checks, double faced cloths or imported polo cloths. New models, with full sweep skirts and buttoning high to neck. Each garment has wind cuffs. Some models are loose fitting, others semi-fitting or belted.

Motor Coats of fancy chev-iots in tweed effects at \$18.50 to \$30.00

Motor Coats of imported double texture or soft wool materials, in a variety of models, \$45.00 to \$95.00

AUTO APPAREL DEPT., 6TH FLOOR.
